25 October 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 25 October 1967

DD/I reported on the 18 October overhead photography of North Vietnam. All six principal airfields were covered, the Doumer Bridge was in use, and there was no evidence of surface-to-surface missile deployment.

DD/I briefed the Director on an OCI memorandum which updates a 12 October paper and concludes that there have been no indications of a change in Nasser's status.

DD/I reported the acquisition of a copy of the [] film clip on Ché Guevara.

DD/S noted the discovery of two more surplus Bureau of Mines safes which might contain classified documents.

Carver said he is preparing a Memorandum for the Record on yesterday's session with Secretary McNamara.

Warner reported a desire by the Joint Committee on Atomic Energy for a briefing by the Director on the afternoon of 8 November.

Executive Director said he was raising at the Director's request a letter from Senator Mundt expressing concern about Communist China and asking for a briefing on the comparative efforts on this target since 1952. After discussion it was decided that Warner will check with the Senator's office for further clarification.
